Subject: Joint Memo to Administrator McCarthy - Re: Lower Passaic River Proposed Plan

Judith/Mathy, attached for your consideration is a joint memo for your signature to Administrator McCarthy recommending a path forward for release of the Proposed Plan for the Lower Passaic River. Preparation of this memo was a joint effort between Region 2 and OSWER and also incorporates comments from OGC and OECA. Attached to this email are the letters we recently received from New Jersey and the Federal Trustee Agencies. We look forward to addressing any questions, comments or suggestions you may have so that the joint memo may be finalized. Thank you.
